Payment

Payment

Fees are payable in full for each month in advance, via direct debit, please complete a direct debit mandate form as part of the application and registration process.

Fees are calculated at a fixed monthly rate based on your child's weekly sessions. This is calculated by multiplying the number of weekly sessions by 50 weeks which is then divided by 12 months to produce an average monthly cost. $\text{Weekly fees} \times 50 \text{ (weeks)} / 12 \text{ (months)} = \text{monthly invoice (Average monthly cost)}$.

3+ 15hrs and 30hrs funded entitlement does not include consumables or other additional services which all our privately funded sessions receive, as such, a monthly consumables fee of £50 p/m for 15hrs entitlement and £100 p/m for 30hrs entitlement will be applied.

Registration Fee

We require a non-refundable fee of £100.00 to secure your child's place if a place is offered. Your child's booking is not confirmed until this is received with all the corresponding forms completed and signed.
